Your next part starts here.

Autohative trades automotive replacement parts for passenger cars, trucks and commercial vehicles. Our focus is on quality, competitive pricing and dependable delivery, with clear product information to help customers order with confidence.

Share your part number or specifications, and we will help identify the right product and provide availability, pricing and delivery details.

PRODUCT CATEGORIES

Braking systems 03

Filters & filtration 04

Suspension & steering 05

Engine, fuel & cooling 06

Electrical & sensors 07

Clutch & drivetrain 08

Truck & trailer parts 09

Lighting, body & wheels 10

References and supply are confirmed against each enquiry. This catalogue presents product categories, not a live stock list. Need another part? Send us the details.

Braking systems

Friction materials, hydraulic components and service parts.

Representative category illustration

PRODUCT TYPES

- Passenger car brake pads
- Truck brake pads
- Brake discs
- Brake drums
- Brake shoes
- Brake linings

Contact us for available references

- Brake calipers
- Brake hoses
- Brake master cylinders
- Wheel cylinders
- Caliper repair kits
- Brake hardware kits

FOR AN ACCURATE MATCH

Part number or WVA reference, vehicle / axle details, dimensions and brake system.

Filters & filtration

Service filters for passenger and commercial vehicles.

Representative category illustration

PRODUCT TYPES

- **Engine air filters**
- **Oil filters**
- **Fuel filters**
- **Cabin air filters**
- **Hydraulic filters**
- **Transmission filters**
- **Fuel-water separators**
- **Filter housings**

Contact us for available references

FOR AN ACCURATE MATCH

OE or filter reference, dimensions, thread size and vehicle / engine details.

Suspension & steering

Replacement components for ride control and steering.

Representative category illustration

PRODUCT TYPES

- Shock absorbers
- Strut assemblies
- Coil springs
- Leaf springs
- Control arms
- Ball joints
- Tie rod ends
- Stabilizer links
- Suspension bushings
- Steering racks
- Strut mounts
- Power steering pumps

Contact us for available references

FOR AN ACCURATE MATCH

Vehicle model / year, axle and side, OE reference and mounting dimensions.

Engine, fuel & cooling

Mechanical, fuel, cooling and thermal-management components.

Representative category illustration

PRODUCT TYPES

- Pistons & piston rings
- Engine bearings
- Gaskets & oil seals
- Timing kits
- Drive belts & tensioners
- Water pumps
- Radiators
- Thermostats

Contact us for available references

- Cooling fans
- Coolant hoses
- Fuel injectors
- Fuel pumps
- Turbochargers
- Engine mounts
- A/C compressors
- A/C condensers

FOR AN ACCURATE MATCH

Engine code, OE reference, fuel type, vehicle details and required specifications.

Electrical & sensors

Starting, charging, ignition and vehicle sensing components.

Representative category illustration

PRODUCT TYPES

- Alternators
- Starter motors
- Spark plugs
- Glow plugs
- Ignition coils
- ABS wheel speed sensors
- Brake pad wear sensors
- Temperature sensors

Contact us for available references

- Pressure sensors
- Oxygen sensors
- Crankshaft sensors
- Camshaft sensors
- Mass air flow sensors
- Wiring harnesses
- Electrical connectors
- Relays & switches

FOR AN ACCURATE MATCH

Part number, voltage where relevant, connector / pin layout and vehicle details.

Clutch & drivetrain

Power-transfer components, bearings and related service parts.

Representative category illustration

PRODUCT TYPES

- Clutch kits
- Clutch discs
- Clutch pressure plates
- Clutch release bearings
- Clutch master cylinders
- Clutch slave cylinders

Contact us for available references

- Flywheels
- CV joints
- CV axles
- Drive shafts
- Wheel hub assemblies
- Wheel bearings

FOR AN ACCURATE MATCH

OE reference, transmission code, dimensions, spline count and vehicle details.

Truck & trailer parts

Pneumatic, chassis and coupling components for commercial vehicles.

Representative category illustration

PRODUCT TYPES

- **Air springs**
- **Brake chambers**
- **Air dryer assemblies**
- **Air dryer cartridges**
- **Air compressors**
- **Pneumatic valves**

Contact us for available references

- **ABS / EBS modulators**
- **Slack adjusters**
- **Air hoses & couplings**
- **Torque rods**
- **Universal joints**
- **Fifth-wheel repair kits**

FOR AN ACCURATE MATCH

Truck / trailer or axle model, OE reference, system manufacturer and dimensions.

Lighting, body & wheels

Exterior replacement parts, visibility products and wheel equipment.

Representative category illustration

PRODUCT TYPES

- **Headlamp assemblies**
- **Tail lamp assemblies**
- **Fog lamps**
- **Indicator lamps**
- **Exterior mirrors**
- **Wiper blades**

Contact us for available references

- **Wiper motors**
- **Window regulators**
- **Door handles & locks**
- **Bumpers & grilles**
- **Tyres**
- **Wheel rims**

FOR AN ACCURATE MATCH

Vehicle model / year, side and market specification; tyre size or wheel dimensions.

The right details. The right part.

Please share your part number, vehicle details or technical specifications. We will review your requirements and confirm the suitable product, available references, pricing and delivery options.

Product identification

OE / aftermarket reference, a clear photo or a technical drawing.

Vehicle & application

Make, model, year and VIN or engine / axle details where relevant.

Quantity & requirements

Required quantity, key dimensions, specifications and packaging needs.

Delivery destination

Country, city and your preferred delivery schedule or shipping terms.
